Kids are special . . . make their rooms special, too!™

Berg's 'Build-a-Bed' system begins with a basic loft that can be personalized by adding a variety of items both around and beneath it. The Utica Twin over Full Loft provides children and parents with plenty of options in customizing their ideal bedroom. The full-size platform bed includes a giant rollout storage drawer for all of your kids' odds and ends. Berg's Signature Staircase with non-slip treads and 4 drawers of extra-deep storage space offers a safe and easy way to access the top bed. Unleash your children's creativity with this one-of-a-kind bedroom system!

Kids are special. . . make their rooms special, too!™

Full over Full! You don't see this layout very often but with the Utica Full Loft it is possible! Add on an optional Full Platform Bed and you have premier sleeping accommodations for two kids. No more fighting over who gets the bigger bed! Included is Berg's Signature Staircase with 5 extra-deep drawers, giving you plenty of room for clothes, toys, or any other things that might need to be stashed away.
