Natural w/ Nutmeg Accents

Kids are special . . . make their rooms special, too!

This bed is perfect for sleepovers! Slightly higher, it allows room for extra storage drawers and a trundle under the bottom bed. The only down side is that every kid in the neighborhood will want to sleep over at your house! Berg's signature, the staircase, provides safe and easy access to the top bed and can be installed on either the left or right side.
