the *Anastasia* collection

Furniture that grows with your family

The Anastasia Collection's popular sleigh design and hidden storage drawer are sure to make any room feeling cozy and tidy. Carefully crafted to evolve in form and function, the Anastasia Crib is built for your child as they grow from infant, to toddler, to youth, and beyond.

At Million Dollar Baby, we understand that raising a family is filled with many tough decisions. We know this because we are family-owned and operated. The level of pride and dedication we put into every product we build is to make sure that the toughest decision you'll have to make in baby furniture is which Million Dollar Baby collection is right for your child. Our devotion to families everywhere has led us to have one of the best safety records in the baby furniture industry without skimping on quality and style. We know that when it comes to baby furniture, apart from looking great, it is meant to be lived in and it is meant to last. That is why our collections are fully convertible and come with a variety of matching armoires, changers, and drawers.

As your family grows, Million Dollar Baby cribs grow with you.
